### QUICK FACTS

— 2 km  
**Difficulty Level:** Easy  
**Terrain:** Forest paths  
**Start and End Points:**  
 At Ekoparken  
**Marking:** Blue posts and other surfaces  
**Distance from Strömstad:**  
 3 km  
**Other Information:**  
 Don't miss the bird-watching tower

### Manager

Strömstad Municipality

Next to the Ekoparken, there is there a beautiful nature trail. It passes a birdwatching tower with views of the bird-life in Hålkedalskilen, continues past a coastal meadow, and goes through old pastures and forests with high natural value. Be sure to join one of the guided tours.
